2018 College Report
The Chairman Ven. Samuel J. Ponniah, Archdeacon of Jaffna & Manager of our College, Chief Guests Dr. Dhanan Senathirajah, National Director, World Vision Lanka & Mrs. Mary Senathirajah, Vice Consul, British High Commission, Colombo, Mrs. Thanja Peiris, our Chairperson of the CMS Governing Body, Members of the Governing Body, Mr. S. Gobinath, Director of the Jaffna Academy & School of Technology and Welfare Officer of our College, Mr. S. Jayawatsalan, President, OBA South Ceylon, Mr. R. Hajeepan, Brother Clergy, Heads of Institutions and Schools, Distinguished Guests, Old Boys, Parents and Well-wishers,

St. John’s extends to you all a warm and cordial welcome to its Annual Prize Day Celebrations. The presence of parents, Old Boys and well-wishers in large number encourages us this evening. We are confident that your interest in our school will remain deep and unfailing.

Dr. Dhanan Senathirajah, the Chief Guest of the function, has been the National Director of World Vision Lanka since October 2016. We are indeed proud to say that you, Dr. Dhanan Senathirajah, left your footprints as a student of St. John’s College during the period from September 1969 to May 1980. In Cricket, you won the Best Bowler’s Award in 1979 and also did very well in Long Jump, Triple Jump and 200 metre – sprints.

This distinguished Johnian was also a member of the College Choir, ‘Do You Know’ Quiz Team and Prefects’ Guild.

It makes us all proud to see that you have been showing your colours in all the fields you worked in ever since you became a coloursman at St. John’s in both Cricket and Athletics.

Our Chief Guest has all the required ingredients for success. He is good in English, is a sportsman, and knows accountancy, law and theology. He is a Chartered Global Management Accountant who is a Fellow of the Chartered Institute of Management Accountants, United Kingdom. It might surprise you all that he is a Doctor of Mission at St. Andrew’s Theological University of India and also an Attorney-At-Law of the Supreme Court of Sri Lanka.

Equipped with good qualifications, leadership skills and other soft skills, he took up many responsibilities in the corporate world. He was:

• Vice President of Finance and Planning, National Development Bank PLC for 18 years
• Director and Chairman of United Mission to Nepal, Kathmandu
• Member of the Sri Lankan Boards of Back to the Bible Broadcast, Campus Crusade for Christ, Healthcare Christian Fellowship, Lanka Bible College, Global Impact, and Vision Fund Lanka
• Bible teacher and lecturer in Business and Company Law for 34 years
• Member of the International Faculty of Haggai Institute, Hawaii, United States of America

Our Chief Guest has two traits that will definitely be of interest to students like you. He is a prolific writer and an excellent actor. He has, despite his very busy schedule, authored two books – “Daniel Part I – Daniel Outside His Comfort Zone” and “Introduction to Law Relating to Business.” He has also acted in two movies – “A Common Man” and “Parachute” - to be released soon.

Common Man, a 2013 American-Sri Lankan thriller film, won Best Picture, Best Director and Best Actor awards at the Madrid International Film Festival and Bronze Medal in the Feature Films category at the New York Festivals’ International Television and Film Awards.

Though he has acted in a film called Common Man – he is furthest anyone can be from, ‘common.’

His spouse, Mrs. Mary Senathirajah, an Old girl of Holy Family Convent, Bambalapitiya, is a Vice Consul at the British High Commission in Colombo. She has been with the British High Commission for 30 years. Together, they have two sons named Liam and Aiden – both students at Colombo International School.

We are greatly honoured to have two eminent persons at our Prizing Giving today. Thank you very much for accepting our invitation. We warmly welcome you to the Annual Prize Day celebrations.

I now take great pleasure in inviting Dr. Dhanan Senathirajah to receive the memento presented by the College in honour of his presence as Chief Guest at his Alma Mater, and in gratitude of his steadfast interest and ardent support for the College.

The report I am presenting today is for the period from 23rd June 2017 to 30th June 2018.

Higher Education
As we celebrate the 195th anniversary of our College, we have taken a step to initiate a Higher Education Programme.

We created the Bursary system because we didn’t want a student studying at St. John’s to discontinue his studies due to financial constraints. Similarly, we have planned to create a Higher Education Scholarship Fund to ensure that no eligible student forgoes an opportunity to pursue his tertiary education due to his monetary limitations. You will agree that money should not stand in the way of one’s education.

We wish to create funds of Rupees 5 million for each of twelve different areas of study (given hereunder). The interest we receive from the scholarship fund will produce a graduate every year.

The purposes are to:
• Take St. John’s College to the next level – to upgrade it to the university level.
• Produce professional tutorial staff for St. John’s.
• Motivate the faculty members to get their first degree / post graduate studies / Masters / Ph.D.
• Have a pool of staff who are good in their subject area and English. Students who come back from foreign universities will also have had a lot of exposure abroad. They can bring back to St. John’s College new up-to-date teaching learning methodologies based on educational psychologists’ current discoveries.

The twelve areas of study are:
• Theological Studies  •  Commerce  •  Agriculture and Environment
• English  •  Arts  •  Psychology
• IT  •  Music  •  General
• Science  •  Sports
• Technology

You have, no doubt, transformed lives. By helping create a fund for students to pursue their higher education, you will be indirectly transforming the lives of those whom they are going to transform.

❖ Research – Teachers are encouraged to do their research related to classroom teaching learning process, child development and school development. We hope to publish the research articles for future planning and implementation of the research recommendations.

❖ A ‘Community Social Responsibility Award’ supported by the University of Manchester & Manchester Global Foundation, and sponsored by Dr. Senathirajah Ariaratnam has been created to inspire the students to do more to their community.

❖ St. John’s Academy and College of Technology (Reg No. P25/0076), and St. John’s College Continuing Education (Reg No. P25/0077) are registered with the Tertiary and Vocational Education Commission, the apex body in the technical and vocational education and training sector. Now students who are unable to get university admission can get National Vocational Qualifications - Diplomas and Degrees recognised by the University Grants Commission. Programmes to Encourage Reading
❖ We have introduced a programme to encourage students from grade 1 to grade 12 to read more, in English as well as in Tamil. Students are expected to read books of their choice and answer five questions in the Best Readers’ Record Book. The fact that they have read the book with satisfactory levels of comprehension will be confirmed by the parents, librarian, subject teacher and sectional head. The number of books they have thus read will be considered for the Library Readers’ Prize.

❖ The British Council introduced a ‘Summer Reading Challenge Programme’ at an annual fee of 1,500/=. It is a ‘reading for pleasure’ programme for students aged 6-15. The British Council provided a box of books to the school that were issued to students. Students were encouraged to read at least six books and write reviews. 18 students participated in this programme and received certificates at the Awards Ceremony held in the British Council on Sunday, 18th June 2017.

OUR NEEDS

It is a real challenge for us to give necessary facilities to our children for their upliftment. At the same time, we have to repay the loan we took for the construction of the Technology Block. Rs.9,500,000/= has been repaid. The balance Rs 20,500,000/= has to be paid with the interest.

Also we need Rs. 27.9 million to purchase the balance equipment and machinery for the Technology Faculty.

Rs. 20M/= is needed to complete the Staff Quarters.

Other essential needs are identified as below:
1. Funds to award scholarships to students who excel academically
2. Addendum to Staff Welfare Fund
3. Addendum to Students Welfare Fund

PRINCIPAL’S COMMENTS

As we thank God for the 195th anniversary, we are reminded that in another five years’ time we will be celebrating the College’s bicentennial.

We invited students, parents, old boys from all over the world and well-wishers to suggest how they wish to see St. John’s as the College enters into the third century of existence, in terms of the following:

i. Student Education and Resources
ii. Teacher Professional Development and Empowerment
iii. Improvement in Sports and Extra-Curricular Activities
iv. Infrastructure Upgrade and Development
v. Happy Learning Environment

Your suggestions are being implemented for the benefit of the students and the welfare of the College.

Every child, on the basis of the ability, talent and attitude he possesses, must understand and realize that he has been created to achieve something. All the children must try to achieve in the field of...
education, sports, co-curricular activities, leadership, discipline or in spirituality. If you seek the answer to the question, why you were created in this world, you will find it easier to understand what areas you are likely to succeed and achieve in.

As fathers, you are called to act with love. Please realize that it is your responsibility to ensure that your son’s name appears in the list of achievers. Fathers should take full responsibility for this.

This year, we have planned to have a seminar in our College from 23rd to 25th July 2018 to guide the fathers of our children.

Arrangements have been made for the training session to be conducted by a South African named Dr Cassie Carstens. All the fathers are requested to participate. I invite with love and compassion, all fathers to take part in this workshop and help your son become an achiever.

ACKNOWLEDGEMENTS

I wish to thank the Vice Principals, the Director of the Jaffna Academy & School of Technology and Welfare Officer of St. John’s College, the Headmistress - Primary School, the Assistant Chaplain, and the Supervisors for planning, implementing and monitoring the overall activities of the College; Senior Hostel Master & Hostel Masters for taking care of the Hostel; Prefect of Games, Secretaries of Games & all the coaches for their dedication and hard work; and all the Staff, both tutorial and non-tutorial, for their fullest support and co-operation in all school matters. Their willingness to work longer hours whenever the situation demands is a mark of dedication and loyalty towards the school.

I wish to thank the Bishops of Colombo & Kurunagala, and the Chairperson, Secretary, Treasurer and Members of the Governing Body and members of the Advisory Board for their valuable advice and guidance; the Manager for his guidance and support to run the school smoothly; the Directors of Education and the authorities at various levels – Divisional, Zonal, Provincial and National - for helping in all school matters; old boys, parents and well-wishers, and the donors of the Prize Fund Endowments for their generous contribution and support.

Finally, I thank and praise the Almighty God, who has been guiding us for the past 195 years, and pray that He continues to lay His hands upon this institution to bless, protect and lead us into the future. Thank you.

Rev. N.J. Gnanaponrajah
